

Applying for Professional Skills Course exemptions

Updated 25 October 2023

You can only qualify through this route if you meet our [transitional requirements](https://news.sra.org.uk/become-solicitor/legal-practice-course-route/becoming-solicitor-legal-practice-course-transitional-requirements/) [https://news.sra.org.uk/become-solicitor/legal-practice-course-route/becoming-solicitor-legal-practice-course-transitional-requirements/]. If you do not meet these, you will need to qualify under the [SQE](https://news.sra.org.uk/become-solicitor/sqe/) [https://news.sra.org.uk/become-solicitor/sqe/].

Unfortunately, some people are experiencing a problem with our application form. In some cases, applicants have been unable to complete some of the fields in section 1. If this happens to you, please add this evidence to a separate Word document and upload it with your application.

This is an application for exemption from any or all three of the core modules of the Professional Skills Course (PSC).

You will need to complete the electives at an [approved PSC provider](https://news.sra.org.uk/become-solicitor/legal-practice-course-route/professional-skills-course/professional-skills-course-providers/) [https://news.sra.org.uk/become-solicitor/legal-practice-course-route/professional-skills-course/professional-skills-course-providers/].

What you need

Advocacy and Communication Skills

You need experience of both civil and criminal advocacy which should have been gained over a period of 5 years or more.

Client care and Professional Standards

You need to have experience of the issues in the subject areas at an appropriate level, over a period of 8 years or more.

Financial and Business Skills

You must have been successfully examined on a similar syllabus recently.

You must be able to provide [references](#) [#references] from your supervisors to corroborate your application and supporting evidence.

Additional requirements

For work-based learning, your evidence will need to confirm the work carried out and how it meets the requirements of the core PSC modules.

This must be corroborated by your supervisor. They should be a solicitor or another individual who has knowledge of the [PSC written standards](https://news.sra.org.uk/become-solicitor/legal-practice-course-route/professional-skills-course/professional-skills-course-providers/psc-written-standards/) and legal practice.

For certificated learning we will only recognise academic credit that has led to a qualification or certificate.

If you are claiming an exemption based on an award obtained outside the UK, the awarding body must be recognised by [UK ENIC](https://www.enic.org.uk/Qualifications/SOC).

Completion of the following cannot be used as a basis to apply for the PSC exemptions.

- Common Professional Exam (CPE)
- Qualifying Law Degree (QLD)
- Legal Practice Course (LPC)
- Period of Recognised Training (PRT)

There is a progressive element as the PSC is designed to build on these.

If you are applying for exemption from the Financial and Business Skills core module you must make sure that you provide certified copies of the: syllabus, module descriptors, award certificate and transcript for the course you have been recently examined on, which covers the same areas as this module.

Professional examinations and courses

Section 4 requires you to enter details of other professional qualifications or completed courses. For example, relevant qualifications you have undertaken within your employment. If you are using these to support your application include certified copies of your certificate(s), transcript(s) and module descriptor(s).

We do not grant exemptions based on study you have completed on the CPE/LPC.

Professional experience and employment

Section 5: If you are applying for exemption from the Advocacy and Communications Skills core module, you need to demonstrate experience of both civil and criminal advocacy which should have been gained over a period of five or more years.

If you are applying for exemption from the Client Care and Professional Standards core module, you need to demonstrate work experience in the subject areas, at a suitable level, over a period of eight years or more.

Tell us where you completed your experience (only including those which you are relying on):

- Job title
- Average number of hours worked per week
- Start and end date in this role
- Supervisor's name, qualification and SRA number (if they have one)

The assessment table

Section 6 is a key part of your application. You must complete this table.

To grant your application, we must be satisfied that you have achieved all the outcomes listed against each of the core modules you claim.

Before you start to complete this section you must read and understand the [Professional Skills Course – Written Standards](https://news.sra.org.uk/become-solicitor/legal-practice-course-route/professional-skills-course/professional-skills-course-providers/psc-written-standards/)

[\[https://news.sra.org.uk/become-solicitor/legal-practice-course-route/professional-skills-course/professional-skills-course-providers/psc-written-standards/\]](https://news.sra.org.uk/become-solicitor/legal-practice-course-route/professional-skills-course/professional-skills-course-providers/psc-written-standards/).

When completing the assessment table:

- set out specific, detailed examples showing how you achieved each outcome
- specify where you gained your professional experience
- cross reference your evidential documents to the outcomes
- update the document index with your evidential documents
- every page must be numbered
- all evidence must be corroborated by references from your supervisor(s) in each period of experience claimed.

Supporting evidence

While everyone's experience is unique, you must include the following evidence within your application:

- detailed references from your supervisors to corroborate your claim for work experience
- redacted samples of your work
- certified copies of your syllabus, module descriptors, award certificate and transcript if you are applying for exemption from the Financial and Business Skills module.

Document index

It is essential that the document index is completed correctly and uploaded as part of your application.

How to complete the document index

Please make sure that:

- When you save your documents, and before uploading them to your application, you name each one with the document number at the start. This means that your documents will be uploaded in the order that you have chosen (see example below)
- there are no spaces in any part of the document name
- the same document numbers are entered in section 6 of your application in the final column headed - Evidence to support your application.

Here is an example of a completed document index.

| Doc no | Description (document name) | Date | No of pages |
|---------------|------------------------------------|-------------|--------------------|
| 1 | 1referenceABC | 01/01/2020 | 3 |
| 2 | 2appraisalABC | 31/01/2019 | 8 |
| 3 | 3worksamplesABC | 01/03/2019 | 25 |
| 4 | 4referenceSmith&co | 14/01/2020 | 2 |
| 5 | 5appraisalSmith&co | 01/05/2018 | 6 |
| 6 | 6worksamplesSmith&co | 15/04/2018 | 20 |

We suggest that you complete the index as you progress through the application. Please make sure that each piece of evidence is included in the final index.

The number of lines is not an indication of the volume of documents you need to send. It is for you to decide on what you think is relevant to show

your work knowledge. You may continue on a separate sheet if necessary.

How we use your document index

This index will be used by your caseworker and the assessor as part of their assessment of your application. They will cross reference your evidence to each of the outcomes, so clear alignment is vital.

We may not accept your application if this index is not included with your evidence, or not completed correctly.

Ready to apply

You can pay via credit or debit card. The application fee is £210.

We aim to provide you with a decision within 90 days of receiving your application.

If you have read our step by step guide and meet the relevant criteria, you are ready to make your application.
