Tell us your thoughts on qualifying work experience

05 December 2023

Learning on the job is still a vital part of qualifying as a solicitor, regardless of which route is taken.

With the Solicitors Qualifying Examination, candidates must have undertaken two years' worth of [qualifying work experience](https://news.sra.org.uk/become-solicitor/sqe/qualifying-work-experience-candidates/qualifying-work-experience-employers/) (QWE) before being successfully admitted to the profession.

We want to know employers' views of qualifying work experience as part of our annual survey. Please share your experiences, as well as any future plans.

The extended deadline is 11 December and it should only take you 5-10 minutes to complete.
